Chiming of the Hour

Welcome

Words of Gathering

We are inseparable from generations past
and generations future.

The lives of the ones who came before us
are present all around us.

The needs of those to come call upon us this day.

What are we doing with all we have inherited -
the wonderful and the terrible?
What will we leave behind?

*May the Holy things, the righteous things,
the things that make us brave in spirit
and fierce in hope
be our source of wisdom and guidance
as we strive to live faithfully-
to the Sacred
to each other
to those past and yet to come
in these perilous and precious days
we have been given.*

May it be so.

May it be so for all of us!

***Hymn of Gathering**

***Prayer of Awareness and Confession**

Holy One of freedom and liberation and reconciliation -
you have given us the law, spoken through prophets,
and provided us with the Spirit to help guide us
in love and justice.

Still we struggle.

The complexities of life and challenges of being human
often win over. In our pain we harm one another,
we do not intervene when our neighbors are targeted,
and we become possessive of power and resources.

Forgive us, O God.

Silence

And then, Gracious One,
ground our lives in mutual care and connection,
as we share with you - a vision of the belovedness
of each one of us, which is always and forever -
the cornerstone of your collective reality.

***For this and so much more, we are grateful.
Amen and Amen!***

***Weaver of Life, Ancient and Unfolding,
How Sacred is your Presence!
We lean on your guidance.
We seek your love.
We open to your transformation.
Provide us bread in body and spirit
to sustain us in faith and solidarity.
Companion us with grace***

*as we seek to live lives of forgiveness and compassion,
repair and accountability.
We remember those who have supported us
as we seek to support others
in all the mess and glory of this human journey.
Guard our minds and hearts from the temptations of domination
and turn our loyalty away from all systems of evil.
For the whole cosmos hums with your wisdom.
Everything that lives, returns to your care.
Our thanks and honor to you,
Gracious Web of Existence,
Our Source and Our Home.*

[-enfleshed]

***Gloria Deo**

Glory be to God, and to the Christ and to the Holy Ghost,
As it was in the beginning, is now and ever shall be.
World without end, Amen, Amen.

Reading from the Wisdom of Our Tradition *from 2 Corinthians 5*
Hear now this reading from 2nd Corinthians:

“All this is from God, who reconciled us through the Christ and made us ministers of that reconciliation. This means that through Christ, the world was fully reconciled again to God, who did not hold our transgressions against us, but instead entrusted us with this message of reconciliation.”

[Inclusive Bible Translation]

For this witness of the ancestors.
Thanks be to God!

Life at First Church

Words of Blessing

As we leave this sacred time and space,

Let us gather our courage in community, because...

We can do hard things

Brave things

Beautiful things

Risky and transformative things.

The Sacred travels with those who journey toward freedom.

For the sake of the collective life

For the sake of disrupting evil

For the sake of the human soul.

We are called and accompanied,
never really alone.

*May our hearts be encouraged both this day -
and in all the days to come.*

[-enfleshed]

Amen and Amen!
