Sharing of the Bread and the Cup

At this table we celebrate all the diverse ways we have been created. Everyone is invited to share in this feast. This morning we will receive communion with gluten free wafers and grape juice. You are invited to come forward to receive these gifts and then light a candle to signify the prayers of your heart on this day. As we share this time, we remember that this is the bread of new life and the cup of hope, given in love for each of us.
